

FAMILY REUNION

Are you looking for resources, services and support related to mental health?

Join us...

Objectives of the Meeting:

- To develop a support group of families of children with behavioral, emotional and mental issues, where they can express their concerns about services for their children.
- Encourage the participation of Latino families in the model “Powered by Families” of the Children Services system from Monroe County.
- Participate in the creation of solutions to barriers to receive services indicated by the families.

Date: Wednesday, September 30th 2009
