

Improving Lives, Creating Change

Marketing Intern Opportunity

Ibero provides services for children, youth, seniors, education, employment, and housing; as well as supportive services for families and individuals, services to the developmentally disabled, mental health services, emergency services and others.

Our Mission is to foster growth and development, primarily of Hispanics, by providing advocacy, along with culturally sensitive programs and services, which are intended to raise their socio-economic status, well-being, and citizenship awareness.

Marketing Intern is needed to help us develop a marketing plan for the Fashion Works store.

Fashion Works is a second hand store operated by individuals with developmental disabilities who are working on prevocational skills that will lead them to obtain permanent skills to obtain and maintain gainful employment.

Duties:

- Work with management to brainstorm and develop a strategy as to whom to sell to, what to sell and increase visibility of store in the area.

Qualifications:

- Good communication skills and a team player.

Hours of Operation: 9-4pm (Intern hours can vary)

Location: 214 Clifford Ave.
Rochester, New York 14621
